TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

1. The amendments to the specification filed August 13, 2007 do not properly mark the changes to be made to the amended paragraphs, because Applicant has overlooked the amendments made to these paragraphs in the preliminary amendment filed February 21, 2006. Please note section 1 of the Office action mailed February 13, 2007, which states how the two preliminary amendments in this application are being handled.

The amendment filed August 13, 2007 did not respond to the objection under 35 U.S.C. 132 with respect to paragraphs [0035] (see the preliminary amendment filed February 21, 2006) and [0065] (see the preliminary amendment filed November 15, 2006).

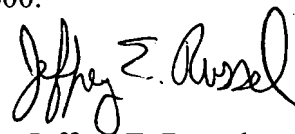

2. With respect to the objection set forth in section 4 of the Office action mailed February 13, 2007, paragraph [0057] containing a sequence not identified with a SEQ ID NO is found in the preliminary amendment filed February 21, 2006.

3. The amendment to the claims filed August 13, 2007 does not properly list the claims pending in this application. The amendment lists claim 13 as a pending claim; however, claim 13 was canceled in the preliminary amendment filed February 21, 2006. Further, changes to the claims are not accurately marked with respect to the immediate prior version of the claims, i.e. the version of the claims present in the preliminary amendment filed February 21, 2006.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey E. Russel at telephone number (571) 272-0969. The examiner can normally be reached on Monday-Thursday from 8:00 A.M. to 5:30 P.M. The examiner can also be reached on alternate Fridays.
